PRESS RELEASE

FOR IMMEDIATE RELEASE:

Gig Werks announces its partnership with Citrix

Starting in January 2010, Gig Werks is an official partner of Citrix. This partnership allows Gig Werks to continue to expand on the high impact, high value solutions it delivers to its clients and enhances Gig Werks AEC offering of a complete end to end solution in SharePoint. Gig Werks is extremely excited about the partnership and feels it holds great potential going forward.

Gig Werks is a Microsoft Gold Certified and Field Managed Partner. Gig Werks skills in SharePoint, Custom application development and Advanced Infrastructure deliver solutions incorporating SharePoint 2007. Gig Werks has expertise across the Six Pillars of SharePoint including Business Intelligence, Enterprise Content Management (ECM), Collaboration, Business Process Automation, Search, Portals as well as Unified Communications, and provide clients with secure, connected solutions that streamline business processes and yield maximum returns on investment.

The Citrix family of products and services centralize, virtualize and minimize the complexity of traditional computing – significantly reducing costs, improving information security, mobilizing people, and delivering enterprise agility.
