## **PRESS RELEASE**

FOR IMMEDIATE RELEASE:

### **Michael McCabe Joins Gig Werks**

**NEW YORK – October 15, 2011** - Award Winning SharePoint Solution provider Gig Werks is proud to announce that Michael McCabe will be joining the Gig Werks team. A former Microsoft Technical Specialist as well as author of the book [\*“Microsoft SharePoint 2010 End User Guide: Business Performance Enhancement”\*](#), Michael is an expert on the topic of SharePoint and on Business Productivity solutions, and should serve as a valuable asset for the organization and customers alike. Michael’s title with the company will be as an Information Architect and he will also assist in sales.

#### **About Michael McCabe**

Michael McCabe currently works as an Information Architect for Gig Werks and focuses on the SharePoint product. He has 18 years’ experience in technology and taught the first classes of Chase employees to use personal computers. Pre- Windows technology, those were the days. He has worked on collaboration technologies for Lotus, IBM and as a Technology Advisor focusing on SharePoint with Microsoft. He has broad experience in financial services having worked at JP Morgan, Financial Guarantee Insurance Company and as a consultant for the State of Connecticut.

Michael has worked abroad and is fluent in German. He has studied at the Universities of Bonn (Germany) and Innsbruck (Austria). He earned a Masters from Cornell University and his undergraduate degree from the University of Notre Dame.
